Note to Bookmobile Borrowers

Unfortunately, the bookmobile is temporarily off the road due to necessary maintenance and repairs. Ensuring the safety and reliability of the vehicle is our top priority, as it allows us to continue providing valuable library services to our community. We appreciate your understanding and patience as we address the current situation with our beloved bookmobile.

Our team is working diligently to ensure the repairs are completed as swiftly as possible, and we anticipate having the bookmobile back in service soon. In the meantime, we encourage you to visit our main library location or explore our online resources for your reading and informational needs.

We will continue to offer alternative hold pickups by our bookmobile staff. Please continue to place your holds, and we will notify borrowers by phone about when and where they can pick up their items.

Thank you for your continued support and understanding.

Sincerely,

Ashely Nunn-Smith
CEO & Chief Librarian
South Shore Public Libraries
